COBRA MISSION

America has forgotten its boys. The ones that gave their lives in that sweltering hell-hole. Those that came back — the battle-hardened killers — are at best despised, at worst ignored. But there are others — the ones still in the camps. Still being tortur-

ed, brainwashed or gradually starved to death.

The one hope is the Cobra Mission. Some of the killers that came back are going to bring the boys home!

The Cobra Mission is about to shatter the American dream!!!
