

DISNEY HALLOWEEN MEDIA WEB COLLECTION DOWNLOAD LINKS: YOUR GUIDE TO COLLECTING YOUR FAVORITE DISNEY HALLOWEEN SHOWS

V1.0 September 2023

I wanted to take this time to list the working links to all known existing copies of Disney Halloween media found online. Most of these links will point to my uploads but a few will point to others as well. Please enjoy and don't forget to leave a review after you download and watch them!

Thanks to several users over the years we are technically not missing any shows. What we are missing, however, are original network versions – and even WOC versions. However, right now I am choosing to track down the original network versions and have noted for each item which network version is needed. Also I include links to my “restored” versions IF the show hasn't been found in hopes of getting people excited and browsing their old VHS, BETA and digital collections for these missing items.

NEEDED:

If you have these please share!

1. Disney's Halloween Hall of Fame – Network version with or without commercials, complete with Lonesome Ghosts cartoon
2. Disney's Greatest Villains – Network version with or without commercials, with added scenes as seen in 1983's A Disney Halloween
3. A Disney Halloween – 1981 Network version with commercials
4. Disney's Halloween Treat – 1982 and 1983 and 1987 and 1990 Network versions with commercials; 1982 was part of the anthology whereas the 1983 version was just a TV special
