CASTLE HOME VIDEO

Made in the U.S.A. is a story of two friends, 'Tuck' (Christopher Penn) and 'Dar' (Adrian Pasdar) they were from a place in the U.S.A. where the future was burning out from under them. All that was left was to get into trouble, so they took off across America in search of a dream. They met a girl (Lori Singer, Footloose) who made everything they did before seem tame. She was beautiful and reckless, they were moving faster than they had ever dared to, keeping one step ahead of the law. Made in the U.S.A. is the real American adventure.
